“ I first met David at Central Bible Church in Miami. We were two knuckle headed teenagers who loved to hangout and fish. Lot's of fond memories of going to Card Sound and fishing for speckled trout. Loved his mom and dad, and the Ambrose family! Donna and I regret that we cannot attend the memorial service. Praying for Lorraine and all his family during this time. May God give you grace and peace in the days to come.

“ David was an incredible man who will always be remembered for amazing sense of humor and his generosity. He loved my beautiful sister Lorraine unconditionally and her happiness was always on his mind. My sister truly found her soul mate. The connection they shared over 30 years was a beautiful love story. My sister loved David so deeply he was her Guardian angel here on earth. David continues to love you from heaven and has told your heavenly guardian angel to step aside this beauty is all mine. David's faith was strong and he knew death is not the end God sent his son Jesus to die on a cross so death would not separate us from God. That whosoever believes in me Jesus shall not perish but gave ever lasting life. This gives me comfort because one day I will see my amazing brother in law again. I love you Lorraine and I wish all family and friends comfort in grieving this incredible loss. Be comforted we have hope that we will join you again in Heaven soon.

“ My baby brother was the biggest teddy bear ever. He was someone you could always count on for wisdom for any situation, laughter for sure and help in time of need. Our family has always been a close knit family no matter how far away we were from each other. In the last year and a half, we only lived four hours apart and he also retired last year. This gave us the opportunity to spend a lot more time together. I am so thankful to the Lord for giving us this time. I am also very thankful that at the age of 40 when he finally decided to get married And settle down, God gave him the perfect wife for him. We were so blessed as was he to find Lorraine, my sister in-law! We were extremely happy that she took him off of our hands for the last almost 30 years! I am still having a very hard time grasping that he's gone from this earth that we know that he is in the presence of his Lord Jesus. I'll see you later Bubba, aka Peanuts! I love you and I miss you until we meet again.
