“ *Cindy, We are so very sorry for the loss of your beloved David. I have such fond memories of taking care of you when you were pregnant with your precious Jacob. It was quite obvious to me and everyone how very worried David was about you with your extremely high risk pregnancy. You could tell how very much he loved you. You both had such an amazing marriage that many people never get to experience. I hope and pray that your wonderful memories will sustain you and give you peace. Much love to you and your entire family.*
