“ Dear Family;
I am deeply sadden by your lost. I only knew David briefly but he always had a positive attitude and was a very bright light at the end of Building C in the night market. He always had a kind word for me because we were both involved with wood. He will be greatly missed.
With Deep Regards

“ I met David in the Night Market. We were on what we like to call Veteran Row because there was a group of us combat vets. My last memory will be his smile as he ate my last Maple Bourbon Bacon cupcake. Until Valhalla my friend.

“ To the family of SSG Del Valle-Martinez,

I am stunned by your loss and pray for your well being in this very emotional time. SSG Del Valle was one of the most professional NCOs I had the honor of serving with in my 32 year career. When his OIC and NCOIC were not available, I always knew he had the information I needed. He was their "go to" person and a critical link in the success of our mission in Iraq. In addition to keeping his chain of command informed, he always looked out for the well being of his subordinates and made sure they had the resources necessary to complete our mission, regardless of whether they were moving or stationary, and they moved a lot. Thank you all for supporting him in his career and allowing him to be such a positive influence on so many soldiers.

*Sincerely,
LTC (retired) Doyal Whippo.*
