“ *I lived in front of David in Eutawville. I am in total shock to learn of his passing on yesterday. He was such an awesome neighbor, security guard and mentor to me and my family. Being a single parent, Mr. David always offered to help me in anyway that he could. Often after mowing around his mail box he would mowe my lawn. After the ice storm last year Mr. David removed the fallen limbs in my yard, I didn't even ask him to do it. My heart is so heavy, he will be greatly missed. I now cant stand to look in my own back yard because I know Mr. David is no longer there. Thoughts and prayers are with his family and especially the grand children in which he loved so much. God, please give me and my family strength as well. (803-707-3555)*
