“ *When I managed the dollar tree in the 72 by pass Debbie would come in and give me up to date information on Neil and Anna. Both of her children worked for me and became very successful. I know their parents would and are proud of them. Rest In Peace Debbie you will be missed.*

“ *Debbie and I grew up 1 house apart as children. She was so sweet and thoughtful, we loved shopping..lol. she dearly loved Greg and had never accepted him being gone, she was simply lost w/o Greg. She loved her children. She came last at Christmas and stayed with my husband and I and we had so much fun! I made sure she had CAPRI'S lasagna because she and Greg always ate there when they dated and after they married. I tried so hard to love her, encourage her, pray with her and involve her in my life. I loved her like a sister and she never ever failed to tell me I was her BFF, she loved me and we would always be sisters.❤️ I'll always love you Debbie and I miss you so much already!! I can't wait to see you again...much love my sister ❤️💜💛💙💚*
