“ We are so sorry to hear about Dennis passing. He always was loved to go 4 wheeling with Rick and Justin. They were going one day and Dennis went to get his boots on and when he went to put the on a mouse ran out of his boot and Dennis jumped at least 5 ft. off the ground. We all broke out in laughing so hard. We have a lot of great memories but we know he's now in a better place and not suffering like he was on earth.  
Sincerely yours,  
Rick and Linda Wells

“ Thank you Den for being my brother! For all the time you spent teaching me how to drive the field cars, making my favorite fries, building snow sculptures, the time I thought you were on the back of the snowmobile and really you jumped off and stood watching from the porch lol. You knew I was ready to go on my own! I just don't know how to be without you in this world! Love you! Your favorite sister Ann ❤️🙏🥹

“ Denny you weren't just our neighbor you were our family. we all grew up together and had so many good times. The parties in the garage running back and forth across the street having fun as kids those memories will never be forgotten. You have always had a beautiful smile and a warm heart. Always soft spoken and happy in every way. I am so sad you had to leave but god took you by the hand and you walked down the country road together. He will heal you and make you well again. Your Dad, Mom, and brother will be there waiting to see your smiling face. You will always be remembered and loved. Your A free bird now! Always in my heart, M Mayback
