“ Always had that great smile. Dennis was a great member of the Passion Play media team. I just don't have the words to describe the positive impact he had on those who knew him. Great will his rewards be in heaven. But knowing Dennis, he'll just smile and lay them at the feet of Jesus. Ron Burcham

“ I grew up with Dennis and Eric back in the good old days. We had great adventures at the same pits and messing around our stomping grounds. I haven't seen him for quite a while but my growing up years have special memories. Dennis was a stand up guy and could always be counted on when needed. God got a great guy.

“ *Our nephew was such a sweet, gentle servant to God, friends, family and community . His gift was one of servanthood. He was so loving and kind, a true gentleman and most of all a good Christian. He lived his life in such a way, that others could see Christ by the way he lived. He was the hands, feet and eyes of Christ. A missionary always to others. We loved him dearly. He loved photography and took pictures of events, beautiful places and enjoyed doing it. I envisioned him when he got to heaven saying"Wait a minute. Let me go get my camera! And, I could hear God saying"Son you are home now. This is all yours. Well done my good and faithful servant!
We love you Dennis!

“ *On one of the last days I saw uncle Dennis, we had all gone out to a restaurant. It was my first time meeting his girlfriend and he was introducing us, trying to describe me to her. So he put his arm around me and said, "She's like me." What a joy it was to be close to him in that way. He was such an admirable man. His quiet contemplative manner always made him seem fair and reasonable. He didn't say what he didn't mean. He was always willing to help anyone in need, without question. He was really smart, and he was one of the most caring and devoted people I've ever known. Losing him feels like losing a part of my own heart, but I hope I never lose the parts of me that were 'like him'.*
