“ Hank, Jason and Keely I'm so sorry for your loss. Diane was such a special lady. She was always helpful to anyone that needed help at work. I've had the opportunity to work with her off and on for many years when we were all at Supply and then again in contracts at the base. We certainly missed her when she retired, it just wasn't the same. I know Diane was all about family and loved you all so much. You all will be in my prayers.
