“ *I am beyond sad to learn of the loss of the woman I called, Lady Di. We developed a Facebook friendship that extended to warm emails we shared, each talking about our families and difficult times we were going through. She was so very proud of her girls and her grandchildren. She loved her pets and adopted home of South Carolina. She knew so much about life and politics and I admired her immensely. May you all smile at her memory and know how lucky you were that she was yours.*

I knew Diane through Facebook, as she was one of my late father's "back in the day" people. She was such a great comfort to me in the years following my dad's passing, & we also shared similar political views. I am so thankful to have gotten to know and love this delightful, feisty lady!!! Rest with the angels always, dear Diane!!! You will be loved and missed, until we meet again, awesome lady!!! 💜 Donna M Evans

“ *As the oldest cousin of Diane's we spent a lot of our early years together. Time gradually separated us as we went our own ways and lost track of each other. However, we were reunited after 50 years by a very persistent granddaughter. Thanks to her we were able to text and talk on the phone several times before she passed. What I took away from our conversations is that she was a good Mother for her daughters and a good Grandmother for her 7 grandchildren and lived to see her Greatgranddaughter. On behalf of her 7 Brady cousins and their families we send our most sincere condolences to Bob and her whole family. Rest In Peace. Paul*
