“ *This beautiful lady was my second mom. I always felt welcome and there's no question I was part of the family. She called me Jenny Lynn. Not my real name but anytime I hear it I think of her and smile. In my head I hear her voice saying "Jinnylynn" in that southern way. I can't believe I'll never hear her say it again. She never seemed to get mad a Carla and my antics. I felt like she'd do just about anything we asked her to do. She made my childhood just a little bit more perfect. I always had food, a home, and a mother's love. I'm sad for the loss and I'm gonna miss her tremendously. The world is a better place because she was in it. I'm betting heaven is joyful at her return. God bless you Miss Dolly. I'll never forget the impact you had on my life.*

“ *The thoughts came rolling in when I saw her in the paper. I worked with Dolly at Engineering Test Services. She would help me with calibrations of their test cells. What a sweet and hard working woman she was. If someone needed a hand she would be there to help. I am truly sorry for everyone's loss. She will be missed by so many people. I know I will miss her knowing she is gone. May the families grief be short knowing she is in a much better place.*

“ I don't know where to even start. I have so many wonderful memories with her. We worked together at Cummins for years. She would go with me to Savannah for St. Patrick's Day. Just this past March my daughter Karen and I stayed with her. She was able to go with us to see my granddaughter Shay perform at Cane Bay HS. No one could make peach cobbler like Dolly!! Lord, you have a beautiful soul with you now. Crown her with many crowns as she has earned them all doing your work here on earth. A loving wife, mother, grandmother as well as other rolls she filled in so many people's lives. I will miss her. I love you Dolly.

“ Dolly was the most beautiful person anyone could have as a friend. However, she was more like a sister. We cherish moments for 19 years and had wonderful vacations every year. She was such a dedicated mother and grandmother and aunt and wife but most of all she was dedicated to her Jesus Christ. She is now in my husband her cousin, her mom and dad, her aunt , And her son. She will always be loved and remembered has the most adorn person anyone could ever know. She will be missed and forever be in our hearts. Have a good time Dolly like you always knew how to help and that smile and laughter And connection you brought to all the people!  
Prayers to the family and comfort but rest assured that she is in a better place!

“ I'll always remember when Dolly, J.B, and I would always share a coke and cookies together when we were young. My Daddy had a grocery store so we would always share goodies and pretended to cook. We had many memories in our youth. Dolly had a tv so I had to visit quite frequently. Dolly has always been a very special person and I will surely miss her and her beautiful smile.

*I met Dolly in 1978 when I moved up the street from her. My daughter, Jenny was very shy and when I saw a blonde little girl about the same age named Carla. Dolly & I were immediate friends and we laughed and talked constantly. She was so full of life and so full of the Holy Spirit. Jenny attended the Roman Catholic Church with my family and also the 1st Baptist Church with the Killions. We shared love & laughter and always had something good to eat at Dolly's house. What a great cook she was. I will miss her smile and positive outlook she always maintained. God is with you Dolly. Pam Fuchs Brown*

*“ So many memories! She knew she was my favorite cousin from childhood when we would get to spend a week together - either in Charleston at her home or somewhere in the country at my home - that is, wherever we were sharecropping. Dolly, J.B., me and my brother R.L. had some wonderful times together. I'll miss her so much. See you in heaven Dolly. Your "country cousin" Bobbie Jean.*
