“ To the Bellon Family, my condolences to each of you on your loss. As the Brig's Admin Officer for 18 years, I was fortunate to work with Dom for years--he was a pleasure to work with; had a good sense of humor; and did a great job in the Finance Office. He gladly helped staff with related questions/issue and made a friend out of everybody....and tried not to let work interfere with his golf (he'd appreciate the humor of that line)! After he retired, he went out of his way to periodically organize a Brig Retiree Breakfast--he'd chase us down to make sure we came; I hope we continue it in his honor. My family's thoughts and prayers are with you.

“ To the Bellon family...My deepest condolences on Dom's passing... I served with him on the Henry L Stimson Blue crew. While I was always impressed with his technical knowledge of the Navy Supply system, he was such a great shipmate as well. I will always remember him. With kindest regards, Neil Young

“ Dearest Lucy & family, I can't imagine how you must feel. I'm truly sorry for your loss. He was a wonderful husband to you and father of your children. It will take awhile to get used to not physically feel him, but spiritually, he'll always be there for you. I'll be praying hard to help him ease his entry to heaven and for you to heal your sorrow. Lovingly, Ping.
