“ I traveled with Carolina Tours many times, and on the longer trips,  
Don was usually our driver. We knew that we were in good hands  
when Don was with us. I remember that last year Don drove when  
we went to NYC, while we were at the 911 memorial, I wandered off  
to look for the name of my friend. Needelss to say, Don was looking  
out for me. My prayers and condolences to Don's family.
