“ I am very sorry for the loss of Bro Waldron. As a young child I have memories of him and those memories are of him praying. The last 2 memories I have are very special, In 2019 we was told my dad (Pastor Phillip Young) had cancer and the 1st Sunday after we told everyone Bro Waldron and Bro Harrell was at our church to pray and lift my dad up in prayer. God healed my dad . Then in February of 2021 we lost him because of covid and Bro Waldron was there to pray for our family. No words can ever take the pain away but we are definitely praying for you all in the days ahead.

“ I have known Bro. & Sis. Waldron since around 13 or 14 years of age. I traveled a few times with them and I felt like family. Bro. Waldron used to joke about buying me a hamburger and it disappearing so fast. Most of all he brought us to the truth of Jesus name. I always called him my little brother even though he's a little older than me. My heart is breaking to know that he is gone from our lives but rejoicing because he made the journey home, where we desire to go. Sis. Glenda know that I love you and your family and praying for you. God keep you and yours. 😭

“ Love and prayers for Sister Waldron, Sister Andrea and the entire family along with their precious church family. My heart is broken with each of you as he was such a part of our family and my memories from years gone by. Pastor Waldron preached messages that I will never forget.... Such as *The Door of the ark Is Closing*, and he told the story of the hand print on his back. More than the sermons, I remember the passion and anointing he preached with. I remember the big smile and his friendly , caring conversations. The Apostolic's have lost a long time giant, the family has lost a husband and a dad, but our list is heavens gain. He fought a good fight and he kept the faith. He enters in to his reward. Karen and I are praying for all of you. Love and prayers.
