“ Such an amazing lady! I loved Dora like another grandma and was blessed to know her. She was always asking dad about me and my girls. She always wanted to see my new babies when they were born, even if it meant bringing my whole clan who would leave little fingerprints on her large mirrors. I remember one Sunday I was late to church so I didn't get my normal makeup on, which makes me very pale. She pulled mom aside because she was concerned I was sick because I was so pale. Mom assured her I was okay but After that, I made sure I always had some kind of makeup on when going to church. She had a heart of gold. She was a friend to my grandma when she would come to visit so she never felt alone. I could go on forever about all the kindness me, my girls, and my family have received from her over the many years we were blessed to know her. She was a beautiful woman with the most loving smile and she will be deeply missed by the Hassell family.
