“ There are so many memories & stories that come to mind. Aunt Doris was a sweet caring lady who enjoyed life and making people smile & laugh. Her cross stitching was exceptional and something she shared with everyone she knew. She enjoyed family and I can see her now in heaven with my momma & granny looking down on us, only wanting us to smile and know that she is rejoicing. A mother's passing is hard but find comfort in knowing that because of her, you exist and she lives in your heart forever!
