As I sat and watched this, tears, welling up in my eyes the past came back so clearly. The threads if life entertwine. A life well lived is such a gift from God. May you feel God's blessings all around you. May he bless you all. Dot will be missed and remembered by so many. I'm sending my love and prayers.

“ Momma you mean the world to me and I'm so lost without you. Missing you so very much. I know your pain and illnesses are all gone but the selfish part of me still wants you here with me. Your love for me will carry on through me and my family. I cant thank you you enough for loving me enough to bring me into this world, raise me to who I am, I'm far from perfect but my love for you for over 47 years was always strong.
God is rejoicing in heaven gaining you in his kingdom. Your healed now, no more pain. Say hello to all our loved ones up there in Heaven. We will meet again one day! I look forward to seeing your beautiful face again soon.
I will love you and miss forever. Holding onto cherished memories you gave to me, Duffee and our children and grandchildren. Im looking after Daddy, the Love of Your Life! He misses you so very much! Us kids can never fill your place in his heart but were doing our best to help him through this oh so difficult, sad and lonely time for him.
Missing you so, so very much
Love always

I haven't seen your Sweet Mom in so many years but I remember how precious she was, how much she adored her children and how gracious she was to their friends. I know the pain of loosing a parent will never go away...but know she adored her children with all her heart and my prayers are with you all. I love you Thomas.
