“ *Dorothy was such a special friend and family too. She had such a love of genealogy, this is how we met, My great grandmother was a Hilton and my husband and I enjoyed the family reunions when we were able to go. She had a ready smile and always welcomed you into her home. Dorothy shared whatever she had, she loved for everyone to know about her big beautiful family, and I know that is how she felt, She always made you feel welcome. I'm so happy we were able to spend time together. Now she will be spending time with Wilbur. So sorry for your loss, but rejoice with her too. Millie Waite*
