Having viewed the tribute multiple times, the photo's are a true reflection of the kind words spoken by those who ever knew or met Eddie. Wish the years had not slipped by so fast that I missed more of those moments others were able to enjoy. Bill

“ Such a heavy heart felt by many who worked with him. Our thoughts and prayers are with all of Eddie's family and friends. I got the pleasure of working with Eddie for many years at Bosch. He always brought a smile or a laugh out of me. All i had to hear was him greeting me yelling, " Girlfriend!" from somewhere in the room. And i would always yell back Boyfriend!!! We would just laugh. He was such a card and such a wonderful personality. He radiated. He had such an enormous love for his wife and family amd Just an all around great man. The world felt better just for knowing him. As much as i know the world and all of us will miss Eddie, I know his wife is rejoicing with him in her arms once again. All of our love and condolences. “ First of all , Prayers to the family of this great man EDDIE Bishop, I have known this man for many year , worked with him at Robert Bosch for many years and he has been a friend of mine and My father in laws Robert Dingler for most of his live here in South Carolina, We have shared many stories and laughed many times, Eddie recently visited my father In law Robert Dingler at the Hospital just days before Robert pasted . Eddie also attended the service for Robert Dingler and With Love in his heart and tears in his eyes expressed his sorrow for Robert being gone, We talked a few minutes and again enjoyed memories of his time knowing Robert though out the years. It was such a pleasure to see my old friend Eddie ,I am sure if Robert were writing this he would say thank you Eddie for being such a great friend to everyone and always bringing a smile to everyone's face, You will be missed but not forgotten, Go home my friend I will see you again, we will again laugh and talk of old times, Love the Dingler family and the Zurcher family.
