Chris is sorry that he could not be here during this time; however, he wants you to know that he appreciates everything that you did for him while he was overseas serving his country just as you have done.*

“ *Sorry for your loss of a great man, Clete. His love of country, family, and friends was undeniable. He always had a kind word to say. He shared many a story and joke with each of us. I remember the first time I met him. He asked if I would sing a song at his retirement party. I was proud to sing "Soldier Boy" as he requested. We remained friends thru out the years. He enjoyed singing karaoke himself and would always show up with his own music CDs. He will be missed. Guess that "Long Black Train" has come to a end. You will not be forgotten.*
