“ My condolences to the family. I first worked with Ed in Pittsburgh area in 1971 and was able to convince him to move to South Carolina to work in the new Alumax aluminum smelter. A great person who was a good friend and coworker and always giving of himself. He will be missed.

" Peace be with Him " and his family !

“ I had the pleasure of working with Ed for close to 3 years at the Alcoa plant in Mount Holly. I believe this was just after he retired and he came back to work on the project. He was such a good human being. He was both a mentor and a friend. The world could use a few more Ed Elders.

My thoughts and prayers go out to the entire Elder family at this time.

I will miss Bubba's Christmas cards.
