“ *I only just met Jake working here in Croatia and instantly liked him. A very good soul that was more of a friend then a co-worker. It was very difficult for us here on the project and a shock that he passed. My thoughts and prayers are with his family and for the repose of his soul into peace.*

“ *I met Jake at BP Amoco several years ago. We worked together numerous times at the plant and Jake was always a pleasure to work with. He was a dedicated and hard worker that always paid attention to detail. I will miss working with and laughing with Jake. My condolences to his family and his Mi Tech family.*
