“ *Dear Gene and Family,
Betty was the nicest person ever. She was so smart and talented,
with an incredible sense of humor who made everyone laugh.
Those family picnics in the backyard were the best! We will always
have great memories of her and her smile.
Love to all of you, the Manke Girls and their families*

“ *Saddened to hear my friend Betty Burke passed away. She was a
fun person to be with. We had many great times going to Quilt
shops and taking classes together, when she lived in Connecticut.
She was sorely missed when she and Gene moved to Summerville.
Condolences to Gene and his family. Frank and Fran D'Amico*

“ To all, my sincerest sorrow for the loss of her. I totally enjoyed sitting on the back deck with her last year when I visited. We shared memories of our lives and laughed together. We formed a bond of two mothers that will last for the rest of my lifetime. She was a treasure to know.
