“ Our dear friend has earned her wings. She was greeted by so many dear friends that have gone before her. I can only imagine the reunion in heaven with loved ones and friends. She was so very special to our family and we are holding each of you up to our?ord in prayer as you adjust to the void of such a loss. May God give you peace in the days ahead.

“ Ms.Ethel was a very loving person, she always had a kind word. When I worked at her church's preschool, she always made it a point to thank me and the other workers for our work, with the children. Kind words are a true gift, we should all follow her lead more. She always made me feel genuinely appreciated. I have always and will always appreciate her for that. Love to you all, our family will continue to keep you in our prayers.
