CL

Great tribute to a great man who was loved by his chosen family and made our family circle complete and tightened our family bonds so deeply that time cannot erase our love. Two Genes made our family complete with love and devotion.

“ *One of my favorite memories with Pops was my wedding. It was a great day because I married my wife but what made it so special was Pops. We specifically requested from our entertainment provider that Pops get to sing a song. He asked us do we want a Karaoke hour and we told him no just Pops to sing our favorite song from him. We also said he doesn't need the prompter just music and a mic. So Pops sang Amore for my wife and I at our wedding on 7/7/07. Love you Pops thank you for the awesome memories!*
