“ To my beautiful Grandma who I will never ever forget. I wouldn't be the woman I am without you. I will never forget all our special memories and times together. All the talks we had. I'll never forget how brave of woman you are. I will never forget how much you loved God and turned to him for everything. I will also do that because you taught me that. I'll always say my prayers. And I'll never forget everything you taught me. To always have faith and keep going. I'll miss you so much everyday and can't wait to see you again one day. You were the best Grandma a girl could ever have. I'm so thankful God blessed me with you! I love you soooo much!! My beautiful angel❤️
