“ What a beautiful sole, she was a loveing, giving person. I always remember visiting in the summers and her sitting at grandmomma's kitchen table with her coffee and the laughter, always laughing. We will all miss her dearly but I know she is now in a better place and has no more pain. Love her always .

“ Dear Family,

All of us have broken hearts as we say goodbye to our beautiful Sister. You kids did an amazing job caring for her and tending to her every need. We'll always remember our last visit as the BEST visit we ever had together. Our only joy is the rejoicing that she is in the arms of Jesus relaxing and her reunion with Horace, and Mamma and Daddy. We love each and every one of you and feel your hurt and sadness. Yet there is happiness because you did exactly what she wanted and you made her happy until the last minute. She had total peace and it just made all of us so happy to know she was ready to say her goodbyes. It was our greatest gift with all of you. Love YOU! Aunt Margaret and Uncle Jim
