“ Dear Arlene,

*Father Garcia called Saturday to inform us of Frank's passing. Shirl and I are so saddened at the news and send our deepest condolences for your loss. Though Frank has been suffering for quite some time, he always exuded a calming sense of strength and caring for others. Seeing you and Frank together at the Base Chapel or at St Thomas always made our day. Whenever I lectured I delighted in seeing you and Frank smiling back at me as I read the epistles. But what a wonderful life you and Frank have had together. We can't know how devastating it must feel to lose your life partner. The memories of your life time together with Frank will sustain you, your family, and Frank's friends for our remaining days. Please know that we will keep our friend Frank in our prayers along with you and your family. For health reasons we were unable to attend Frank's viewing for which we are sorry. We hope to see you soon as the Covid threat decreases and we can all once again resume our lives and friendships. Be strong Arlene, may our Good Lord keep you and Frank in his loving embrace. Again, our deepest condolences.*
