“ *Mrs. Gail started as client of mine about 13 years ago in a salon I was working at. With her patience and and faith in me, I fixed her hair disaster and she became one of not only my favorite guests, but a long time friend. She always came in with such a sweet and friendly smile, and a big hug. Through her illness, that seemed to never deter her beautiful spirit. She always came when she could to get her hair colored and cut. Upon her cancelling her next her appointment via text, she mentioned she was so thankful for all I had done for her. Unfortunately I knew that was the last time I would hear from my sweet friend. I will miss her so much, but I know she isn't in anymore discomfort. I will always love and remember Mrs. Gail*

So sorry for the family's loss. She was a classmate of mine and wonderful person. It was always so nice to see her when she came back to Ludlow, VT for a visit.
