“ Gary captured our hearts the day he was born. From a small child to the dedicated man he became, he never met a stranger. If you were fortunate enough to have known him, he left a lasting memory with you. Gary's life was filled with new opportunities, allowing him to constantly live with love and to bring a little happiness into someone's day. Heaven will be brighter with his presence.

“ Life as we know it, will never be the same. Gary will make the best angel in heaven. Always the peace keeper for all us sisters, he knew exactly what to always say and do. He also knew how to wrap us around his finger. God only gave us one brother, because Gary was the only one we needed or wanted. He was a miracle in our lives, and his love for us and our love for him will never falter.
