“ *Diane, Gene did so much for me in my career and gave me opportunities when I am not sure anyone else would have. I have fond fishing memories as well as the times we played guitar together after work. Some of my fondest memories in the car business were with him. He was a good friend and a mentor and I still quote him to this day. It's hard to believe he is gone and I am thinking about you and Bucky.*

“ How sad I was to read this and also sad that it has been so long since I spoke with Gene. He was a great mentor and friend to me. I will miss knowing he is no longer spreading his cheer on this earth but rejoice in knowing he continues to in heaven.
