“ Gertrude Bass—a fun person to go visit and enjoy lots of laughs and see lots of creativity. We got to become acquainted with her in the early 70's via Bass Mobile Homes. Of course you two became some of my great friends as well as business associates. We had fun times out. John you remember Shoney's adventure. We could go on and on but what a great person and great friend you have been. Thank you for being a friend and taking care of my friend John who absolutely thought the world of you and shared that often, like almost each day we would be working together. We know also from talking with you through the years that we will see you again in heaven.  
Thank you Gertrude Bass for being our friend.
