“ *As long as I'm alive this candle will not run out at love for Daddy Mommy and Gopher*

Nancy Shafer - August 23, 2021 at 11:37 AM

“Daddy I’m going to miss our laughs in the living room at night after everyone was gone. Watching videos on my phone and westerns on tv. Then you say “if you want to get your pillow and blanket you could sleep down here with me.” So he’s on one couch and I’m on the other. He’d say “got anywhere to go today” and I’d ask him what he needed and he would say “b’s” meaning bananas. He told me he would sell the the Dodge truck because I like it and I said how much? He said a hole bunches and turns and gives me the smirky smile. How can anyone no love the handsome face?? I love you to the moon and back and I will forever miss you. I love mommy and gopher too.
