“ *The best memory with my uncle is when I had surgery on the 2nd of October he was there for me everyday and got my kids up for school for them on the bus for me and stayed with me all day... On my birthday on the October 6th he was the only person that told me happy birthday and spent the entire day with me he was really a great guy and I miss him and love him so much... Rest up Bubba we love you 🥰*
