“ *In September 1981, I began working in the Records Dept. and with Beebe at Charleston CPD. He was one of the very first friends I made since I was not only new to the police department but also new to the state of South Carolina. He was always there for me during great celebrations as well losses in my life. My husband and girls got to meet and know Beebe and all agree about the love and respect they have for him. There is no measure that can truly convey the loss my family and I feel at his passing from this earth. I am so very grateful to have known him all these years. I pray for comfort and peace for Beebe's family and friends.*

“ *Harwood was a valued member of Hotel Hell H Company at the  
Citadel. He could always make us laugh when the times were tough  
on us as knobs. He always seemed to see the brighter side....which  
helped many of us make it through those 4 years. His service as a  
Charleston policeman helped preserve and protect the men and  
women of our great city. Thank you, Harwood, for being a servant of  
the people, but more important, for being a friend.  
"H is the best, the hell with the rest!"*

“ I knew and adored Harwood from CPD in the 70's. Several times, we rode together...and let's just saying...to this day, I remember his "pursuit driving".....Fly Harwood.....

“ It is with great sadness to learn of the passing of Harwood. Harwood and I worked for many years at the Charleston Police Department and specifically downtown at the business district. Met Harwood in 1989 shortly before joining the police department myself. He was an extremely professional city servant and was a very dear friend.  
I extend my deepest sympathy and condolences to his family.  
God Speed Harwood.  
Respectfully,  
George and Sam Wilds

“ I recall many a funny moment with Harwood from our days at The Citadel and our class reunions! I've pondered his career and realize how brave he was to have been a policeman all those years! An inspiration for us all! I will miss this old Bulldog! John Culclasure '75
