“ *Aunt Hazel, I don't know how to say good-bye to you. I always thought of you as being so full of life, I can't believe you aren't any more. To say I'll always remember you seems silly. How could I ever forget? You made us laugh. You showed your love to us always. You loved to cook for us and we loved eating. I was going to bring you some beans from my garden this summer and ask you to cook them for me. If anything had ever happened to my mother, you were going to take me. I just don't know how to say good-bye. I couldn't make it to your funeral and I never wanted to see you in your casket. I want to remember you as a vibrant, fun and loving aunt. That's what you'll always be in my memories. I love you, Aunt Hazel. Thanks for a lifetime of being my Aunt Hazel.*

“ *My dear, sweet Aunt Hazel, It is so hard to find the words to express the way I feel today. I know you are rejoicing and celebrating with Uncle John and my daddy to be in the presence of our heavenly father. I am so happy and excited for you. But, I am saddened for your family that you have left behind because we will miss you so much. You have been such an inspiration to so many of us. Your faith, love, humor, honesty, caring have taught all of us what we should aspire to be. I will miss you terribly because I love you so much. But, make no mistake, I will see you again!!! Your loving niece, Susan*

“ *Dear Aunt Hazel!!! my family and I so wanted to say goodbye to you but we just found your information this morning online, being unable to get in touch with anyone by phone. We are heartbroken that we cannot get there in time but we are with you, as we have been all of these years, in spirit and heart. Even as life has taken its toll on our visits and frequency of communication, I always felt your presence. In that way you have been like a mother to me and though you may not have known, being connected to you at all helped me to feel grounded in this precarious world and during times of darkness. I will hold onto that and remember you as salt of the earth, as tough and loving as they come ... and I intend to at least aspire to live the rest of my life by your example. My closest lifelong friend Melinda preceded you by exactly one week. Please enjoy her company and you two save me a seat; we will see each other again. Love always, your niece Wanda*

“ If I could speak to you, Aunt Hazel, I would just remind you I love you. I love that I've spent my whole life looking at you to learn, I always wanted to be like you. I admire your honesty, humor, and values. I am lucky to have a lifetime of memories of family get-togethers, trips, make-up and primping, good food, conversations, good advice, loads of hugs and love, and so much more. I regret I am too far away to see you right now as family and friends are saying goodbye. I hope I made it clear to you how dear you were and always will be to me. I am proud to be your niece.

You lived a life that anyone could use as a template for kindness and enduring faith. Now you are in the arms of the angels and of that there will never be any doubt. Love you always, Ronald Grimes Jr.
