“ For every life has a purpose to fill, a purpose which us humans can seldom infer. But Grandma Hazel was a gift from heaven, whose purpose was to make this world understand what love, friendship, goodness, and humbleness was all about. Goodness belongs to heaven, and I know you are watching us from there, bestowing your beautiful smile upon us. May your soul rest in peace. I will forever remember the sweet caring person you were. I love you Grandma Hazel !
