“*Heather was my step-daughter and I loved her as if I had birthed her. We would talk for hours. When she came to visit she said she felt like "an only child ". We would stay up late just enjoying her stories and eating Country's BBQ. My heart is hurting so badly. Her beautiful smile and open love for her family and friends will be greatly missed. She's no longer in pain but our hearts are broken. See you soon sweet baby girl!*

I worked with Heather years ago at Moncks Corner ER. She was so fun to work with. Such a beautiful, caring person. The world has gotten a little dimmer now that she is no longer in it.
