“ *Miss Helen and I met for the first time in September 1962. I felt a deep emotional connection to her that day not knowing that almost 2 years later she would be my sister-in-law, but she was more than that. She was my sister-in-LOVE. Over the years, unfortunately, we were separated physically by miles, but always kept in touch through yearly "happy birthday" phone calls, letters, and Christmas cards. She will always be loved, missed by me and my memories of her will be cherished forever.*

“ *Dearest Lowell, My heartfelt sympathy for the loss of Helen. You two have meant a lot to me over the years. Wish I could be there. I will talk with you when I get back to Charleston.*
