“ I was priviledged to meet Helen in 1981 after becoming friends with Pat. She often told people that she had 4daughters. Happily, I held that honor. We've shared many good times over the years. To the family that I love. Thank u for sharing your mother with me. I know the loss and sadness u feel. We all have so many memories! Pat, remember the chicken feet? That has brought me many smiles in my life. Nothing takes the place of your mom, but all the memories,good and bad, will pull u thru. She is now having a Heavenly party, whole again.
