“ *My condolences to the Blanton family. I pray God continues to comfort and strengthen the family during this time of bereavement. May the many cherished and loving memories of Henry continue to comfort his family and friends. A comforting thought is at 1 Peter 5:7 "while you throw all your anxiety on him (GOD), because he cares for you." May you all have calming and pleasant thoughts during this time.*

“ It brings sadness when we hear of a good friend going on across that great divide that separates time from eternity. But we are reminded of that age old question that is asked in the book of Job, " If a man die shall he live again? " Job goes on to answer his own question. " For I know that my Redeemer lives, And He shall stand at last on the earth; And after my skin is destroyed, this I know, That in my flesh I shall see God , Whom I shall see for myself, And my eyes shall behold, and not another."

“ *Mr. Blanton, you will truly be missed. I always enjoyed visiting with you when you came to the pharmacy. You managed to always brighten my day. I haven't worked at the store on Main St now for almost a year, but you were still one of my favorites. I was heartbroken when I heard the news. Love and prayers to your family.*

“ Henry was always a friend to us ! He and CH worked for different companies but they loved teasing each other and shared a special bond! CH enjoyed working around the store if they needed him for stocking and ordering etc! He enjoyed CH taking him to some doctor appointments when necessary ! In June when CH became ill he and Zonnie never missed a day calling or visiting him in the hospital and rehab ! When we brought CH home Henry made sure we had someone to cut grass and brought food and on many occasions ! CH and the caregiver enjoyed eating with Henry at the store when he was able ! I chatted with Henry Tuesday morning and I reminded him that he was truly a blessing to many people ! We will surely miss him and share our sorrow with his family and friends !

“ *Henry and his family helped us when my family was at its lowest... He put gas in my truck, he bought bicycles for my boys at Christmas, he bought food.... I can go on and on about the kindness of HM and his family. He put me to work at the Lebanon Quick Stop. I stayed and helped the Blanton family for 5 years. He was a great, generous man and will be missed, that's for sure.*

“ I worked for Mr Henry at Lebanon Quick Stop almost 7 years. He was the best man anyone could ever work for. He treated me more like a daughter than a employee. He was loved by many. Would do anything for anyone. It's so weird just this past Wednesday the day I got the news of his death I was at work and a guy came in store with a hundred dollar bill and I marked it with a black marker and called my manager and as soon as she looked at the mark she said oh we can't take this. I started laughing and told her I did it with marker. I told her I pulled that on Mr Henry once with a 50 he gave me at work and oh was he ready to go back to the bank. I laughed and told him to calm down it was ok. He said baby I whipped your behind. He was always pulling jokes on me so I had to get him back. Love ya Mr Henry.

“ I couldn't have asked for a better friend over the years. He stood with me during some of the most difficult times of my life. We worked together at Nabisco for almost 10 years and there are so many stories to tell. He will be missed by so many and I am not sure the church will be large enough to hold them all. Heaven get ready you will have your hands full. A kind, caring, giving, thoughtful man. I love you all, Joyce, Zonnie, and Tiger.....
