“ *Pam and Mike,
Amy and I are so sorry to hear about Pete. Pete was an influence on so many of us in our early years and helped guide a lot of young lives. His guidance and the good times have stuck with me for over 40 years and I have nothing but fond memories of him. He will be missed by a lot us that were touched by him...

“ From your Florida Family—So blessed to have spent many hours of gab with Pete. So blessed to have seen him at Christmas—not knowing we would not have another hour or moment of gab with him. And now we regret not being able to be present at his gathering. Rest In Peace Pete—you were one of a kind and we won’t forget you and the many memories you have left behind. And we won’t forget how to boil an egg 😊. God bless Pam, Mike, Kim, Lauren and his gal pal Nutmeg. Much Love Bud and Shirley

“ To the family of Pete, I had the pleasure of working with this great man as well as serving under him in the USAFRes. Pete was a great mentor and friend he will certainly be missed by all of us that had the opportunity to serve with him.

“Pete was the heart and soul of Charlie Section in the 437/315 Maintenance complex at Charleston AFB. When a C-141 aircraft was broken, you could always rely upon Pete to get it fixed safely. He was launching jets during the Grenada invasion in 1983, Panama invasion in 1989, and Desert Shield/Desert Storm in 1991. He was a key to helping defend America’s freedom. “Charlie 2, this is Maintenance Control; we have the watch. Rest well....you made a difference.”
