“ *My memory will always be sitting on my Mom's porch and watching her face light up as Zonnie stopped to visit and drop off her favorite ice cream. Through the years Zonnie remember to visit both my parents. Rest In Peace Zonnie.*

“ *all I could think of at first, was Zonnie, hunting or fishing up there with his Dad. he was a hard boss at times and always a good friend, there for you in times of trouble. That corner will never be the same! I'll miss knowing that he is right there anytime to stop and visit and solve all the world's problems.Zonnie and his Dad were always there for me and they were my 'Lebanon family' and I loved them both. oh, the stories they could tell... .*

“ *I have come to know and love this family like my own. My deepest sympathy to Ms Joyce, Tiger and of course sweet Miss Goldie (who Zonnie loved so much) Zonnie was a hard working man but still took the time to care about others and quick to offer help in any way he could if needed. It saddens me that his life was cut short before he could do some of the things he really wanted to do. I know he is rejoicing with the Lord and those he loved that have gone before him. Rest in peace Zonnie. I will miss you.*

“ My love and condolences to all who are missing Zonnie on this day and all the days to come. He was my very good friend and I have many things I will remember about him that make me laugh and smile. He was hard working, up front and would drive you up the wall on purpose just to get a rise out of you. Then you'd both laugh it off together. I worked for Mr. Henry when I was young and then for Zonnie later in life. They taught me about hard work, loyalty, and what it means to take care of people. I am honored to have known them both and I hope they are resting easy in the glory of God's love.

“ I wanted to send out my deepest sympathy and condolences to the Blanton's family. My prayers are with you for the loss of a wonderful sweet man. When I first meet Zonnie and his family, I knew they were real genuine sweethearts. If someone had any type of personal or family problems Zonnie would say do you need anything ? He was just a caring a humble person. When I got the news of his passing I felt my world crumbled because I just spoke with him the night before. He and his family became my family. I'm truly going to miss talking and laughing with him. The town of Ridgeville has a tremendous void that cannot be replaced. Zonnie let your work you did here carry on in Paradise. Mrs. Blanton and Tiger I wish I could take the pain away and bring joy because my heart is also heavy. God bless everyone.

“ Prayers and thoughts go out to his mom and brother Tiger. Zonnie was a good friends to many of us, the community and Cypress Campground is it going to missing him? whenever I repaired things for him, he would always ask me. ” Let me ask you a question.” and I would explain to him how that piece of equipment worked. I look forward to him and I traveling out west. We discussed some of the places that he and I had been at different times. It’s a darn shame he’s not gonna get to do and see some of the places that we talked about. Thanks Zonnie for being a good friend.

“ As we all have our own little quirky ways. Zonnie was no different. We all have people that like us and some that don’t. Zonnie will be missed by many. A lot of different memories from going to the store hanging out after hours. Many calls from Zonnie for him to ask different questions. Zonnie coming getting his hair done at the beauty shop. Thank god he got that hair in order before he left us to meet his maker. I remember a time a bunch of us were out one night. Yeah believe it Zonnie was out on the town. One of the girls told Zonnie hey man you gotta loosen up, let’s start by unbuttoning that shirt you have one. Us girls laughed about it for a long time. RIP Zonnie. I’m sure you and Lori and Rod are catching up. Along with many others.
