“ To a great father-in law,

You will be sorely missed. Whenever we asked for help you were always there & never refused. If we needed help around the house you were there with tools in hand, a smile on your face ready to tackle any project, large or small.

It was a pleasure to have known & loved you like a father. Rest in peace. I know your at peace enjoying a walk with Buddy or with old friends on the water fishing & clamming.
