“ *To a warm and wonderful man. You will truly be missed. Your  
beautiful smile and the respect that you had from so many people  
says it all. You were a close friend to me and like a father figure as  
well. It saddens my heart to know your not here anymore, but at the  
same time my heart knows God has you in his arms and pain free  
and I'm sure you are looking down on us as we speak. You was a  
great caring man and your love for God was a blessing to all of us.  
We love you always. From Ken and Lois burkhalter*
