“ *Officer Prince was one of the most fun loving, kind, caring men I ever met. When I was a kid at Beech Hill Elementary, he wasn’t just our school resource officer, he was a friend. Someone we could come to if we needed anything. We even had a parade for him one year. Rest in peace my friend. My condolences to the family, and his dear friends.*

“ He was the most gentle giant of a man that I have ever met. He would do anything he could to help a fellow human being and would go above and beyond for anyone he called a friend, he had lots of friends. I was lucky enough to get to know him, work with him, and best of all call him a friend. May he rest in peace and God Bless his family and all those who knew and loved him.

“ *Big Prince,  
I remember the day we met, 13 or so years ago. You never had an ill word for anyone. You could always bring a smile to people’s faces. Even though we worked at different agencies, you still taught me more than you’ll ever know...and for that, I’m thankful. My heartfelt sympathy goes out to your family. Rest easy, we have the watch from here, my friend.*

“ Mr. Prince was a kind and sweet person. He would park with the kids waiting for the school drop off and always, always had a kind thing to say to the teachers coming in. I told him one day that his kids would always remember having that special time with their dad, as my own kids did with theirs. I said that not knowing that he would leave this earth so soon. One of the last things he said to me was he was gonna pray for me , as I was having surgery. He was a special person and I will pray for comfort for his kids, wife, and all of his family on the loss of someone so dear. May the Lord comfort you as you struggle with this loss. Many prayers will be said for your family.

“ Mine and Brenda's sincere condolences to the family. When I met Tim I knew I had met a good man. I have met several family members and all reflected his decency and kindness. Having JJ and Kelsey for neighbors has been a blessing to my wife and myself. A reflection of Tim is exactly what JJ is.

“ When I heard the news of Tim’s medical emergency I was so upset. I am a nurse and understood the gravity of his situation. I prayed and hoped, however, for the big sweet man to pull through and surprise us all.

To his family and loved ones I wish you peace and will keep you in my prayers.

He was one of the good ones! He always had a smile and was such an easy conversationalist. Although I only knew him through the schools I truly do count him as my friend.

Recently he helped my son and me while we were having a difficult moment at SHS. His presence at school will be missed!

Mrs Prince and all the Prince Family... I hope you will find comfort knowing that you were blessed to have such a great person in your lives who really touched others with his kindness and jovial personality!

“ *I am so sorry for your loss. I met Mr. Prince and his sweet family at Reeves Elementary. I will always remember his smile when he would drop Josh off in my class. We often talked and joked around when he came through car rider line. He always asked everyone how they were doing and if they needed anything. It was obvioius to all that he adored his family and loved Jesus! The world has lost a wonderful man but heaven has gained a soldier for Christ. Hugs and love to you Andrea and your family.*

“ Prince that is the only name I knew for you, and that you were. I enjoyed sharing the love of life with you, you were always ready with a Kind word. I am glad we had gotten to fun with each other the last couple years those times mint a lot to me. So be the Prince you are up in heaven and take care of all your friends.
