“ While working at CIGNA I was honored enough to attend the Duffy School of Leadership done right. He was not always easy to understand until you pondered the meaning of his messages. He could sit you down, make his point, pick you up, dust you off and shove you in the right direction. I have thought of him so many times in the last 14 years. The lessons learned from Hugh. I feel so privileged to have known him.

*Dear Dianne, Johnny just called to let me know Jimmy passed away....I am so very sorry for you and your family! Jimmy was a "one - of - a - kind" guy. Funny, intelligent, and a man who clearly loved his family and life . I remember going to their farm as a child and how I looked up to all those cousins! Please know, Dianne, how much I loved being around that part of our Duffy clan!! Wish I'd have seen you in recent years! May God give you strength during this very tough time .... and may God take Hugh James into his loving arms.

“ I am so sorry hearing about Hugh's passing. Herbie and I moved from Blue Heron last November 1, and I have visited George and Martha since moving, but we finally had a grand daughter and moved to be closer to Heather. I remember ya'll walking your cocker spaniel thru the neighborhood, and seeing you at church, and keeping up with the neighbors in Quail Arbor. I am sending my prayers and a big hug to you Diane. I know he will be missed. Christine Hill.
