The video brings back so many memories and was really calming. This is too much for one family to bear. May God comfort you and heal your broken hearts.

“ *Mr. and Mrs. Williams,*

*My deep condolences to you and Tracy. I can't help but smile as I reminisce of Eddie's and my high school days together, then later, our time at Carolina trying to persevere through all our engineering classes. Although it has been many years since we last saw each other, I still treasure our friendship and our fun and sometimes challenging experiences together. I will miss the innocence of our youth and the many laughs and smiles we shared.*

“ *Mr. and Mrs. Williams,*

*I am so sorry to hear of Eddie's passing. Although he and I lost touch over the years, I will always remember the friendship he and I had during the 4 years at Carolina while we were roommates. Three years at the Wade Hampton Hotel and another year in an apartment with Trey Banks. Fire alarms, elevator breakdowns, parking lot fights, rooftop jumping, cheap Popov in the freezer, bunked queen beds, a corner room on the 7th floor with shag carpet and views of the state capitol on Gervais and the now Vista area south of Assembly, football games watching George Rogers, and many other things that he and I did and laughed about that he has already taken with him beyond this life and I will take with me beyond mine. Eddie was truly a "one of a kind" guy. Many prayers go out to his Mom and Dad and the rest of his family! Go Cocks!*
