“ *The Harris family as many other Summerville families are sadden by his passing. Mr Jack helped so many young athletes get a chance for college scholarships. He was always there to promote student athletes with his video talents. The Haupt family is very grateful for the work he did for our daughter, her teams, and school. We are so fortunate to be able to view his work. May my respect and thanks give some comfort to your family with this passing. Thank you Jack and thanks to your family for supporting your works. I was blessed to have known you!*
