“ *Ron was my roommate on my Via De Cristo weekend. Ron helped make my weekend an incredible experience. We became life long friends. I treasure the years we served together and always a joy to spend time with him. He will be sorely missed.*

“ Ron has been a good friend and an inspiration to me and to many other people for years. I have had the joy and privilege of playing music with him and Janie and serving with them on Via de Cristo spiritual retreat weekends. His musical talent was amazing and his faith, hope, and genuine Christian love were gifts I have treasured and will continue to treasure for years to come! He continued to share all three with everyone, even while struggling with various physical afflictions which could easily have left him bitter, isolated, and without faith. Instead, he clung tenaciously to his faith and Janie and found joy in the midst of challenge and suffering. What a powerful example of Jesus living among us!

Ron has finished his race, and God's got him safely home now and healed him He has entered the joy of his master and can see everything clearly again. That has to be wonderful!

Make some beautiful music up there, brother. Jesus is definitely enjoying it and is keeping up with your rhythm! Will join you when I get there.
