

Jackson Tally Guerrero

August 16, 2006 - June 9, 2025

A visitation of family and friends will be held on Monday, June 16, 2025, from 6pm to 8pm at James A. Dyal Funeral Home. A funeral mass will begin at 11am on Tuesday, June 17, 2025, at St. John the Beloved in Summerville. A reception will be held following the Mass in Madden Hall at the Church.

With broken hearts and endless love, we announce the passing of our beloved son, Jackson Tally Guerrero, age 18, of Summerville, South Carolina who passed away on Monday, June 9th, 2025, surrounded by family.

Jack graduated from Summerville High School, where he excelled academically. He was a multi-sport athlete—playing football, soccer, and volleyball, wrestling and running track. His commitment, teamwork, and quiet determination left a lasting impression on everyone who shared the field or track with him.

He had recently begun studying pre-nursing at Trident Technical College, preparing for a future built on compassion and service. Jack had a natural gift for caring for others, he wanted to ease pain, offer comfort, and make a difference.

Outside of school and sports, Jack had a deep love for jazz music. It was part of who he was: thoughtful, expressive, and soulful. He also had a dream of one day traveling to Japan, drawn to its culture, beauty, and traditions.

One of his greatest joys was spending time with his girlfriend, Isabele “Iggy” Crowley. Together, they shared laughter, dreams, and the kind of love that brought light to his life.

Jack is forever loved and remembered by his parents, Richard and Jessica Guerrero; his brother, Nicholas Guerrero; his grandmothers, Guadalupe Guerrero and Carol McLemore; his uncles, Balder Guerrero and Charles Guerrero (Jill); his aunt, Rebecca Turner (Ray); his cousins, Franklin, Thomas, and Atticus, extended family and friends.

Though his time with us was far too short, Jack lived fully—with love, passion, and purpose. His presence was a gift, and his memory will live on in the hearts of all who knew him.

In lieu of flowers, the family requests that donations be made to MUSC Children's Fund, <https://musckids.org/help/contact>; Dorchester Paws, <https://dorchesterpaws.org/>; or Charleston Animal Society, <https://charlestonanimalsociety.org/>

“ I will always remember Jack as the sweet boy on the street. The one who included everyone no matter their age. I loved cutting his and his brothers hair in my kitchen. He was quite the picky client and I had to get that haircut just right 😊. I remember when he got to meet the twins he scoop up one and said “Mrs Lisa, you had 2 babies at the same time”. Jack really is an amazing friend to all and everyone is a little better off to have known him.

“ My boys adored their big cousin Jack. He was so good with them, didn't hesitate to play and jumped right into interacting with them. I was always impressed at this. Jack and his youngest cousin Thomas had a special bond, as they shared a birthday, and in taking family pictures I remember hearing Jack say “I want the baby”.

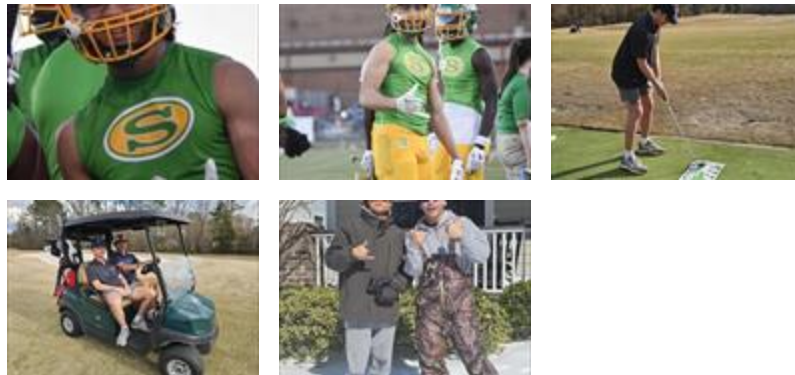

I am heartbroken my boys won't grow up with Jack. He is a great role model, and I hope my kids turn out as good as Jack did.

These have been the best 2 1/2 years of my life. Years in which he filled with laughter, love, and many kitchen dances. He was my home and my forever person and now he is my angel watching over me.
No matter the outcome, I would do it all over again.
I love and miss you my love,

“ I want to express how grateful I am to have known the entire Guerrero family. Jessica and "the boys" Nick and Jack were so very special to me during their time in New Bern. They cared for my Lola (bullie) as if she was their own and treated me as if we had known each other all of our lives. I thank the Lord our paths crossed and was blessed with having the chance to know both of your precious young men. My deepest sympathies are with you now and in the days ahead.

“ Richard, Jess, and Nick,
We are so sorry for your loss. Jack was such a special kid, and we truly loved having him around. Our boys are so blessed to have had a friend like Jack, especially during those long days of social isolation, when they just got to be boys and play outside all day. He was such a beautiful young man, inside and out, and we will miss his sweet smile, calm demeanor, and sweet nature. Thank you for sharing him with us!!! Love you guys!

“ Jacko, I knew you since you were 8. I made a promise to you, “I’ll put you in my class in 7th grade.” I would see the family and you around town from time to time. So, by the time you hit 7th grade, you were ready! Big brother Nickster prepared you well. I even made sure you were in my den. Then, I won that award and a photo was taken and you said, “I gotta stand next to you, Mr. Woods.” Thanks for making me feel cool!

“ Preface (I'm not sure if the video works on here)

I met Jackson at the end of my ninth grade year during football and he instantly became my best friend and that never changed, his energy and charisma and goofiness and his love and care for everyone were his best traits that I loved and I know everyone loved. He provided so much light and joy to me through out the summer when we worked together and the many classes we had together over the next few years. he got me through tough times in my life and he was truly a blessing to know and to be around, He never failed to make me laugh and tell me how things were and tell me in a way that would get the point across but not hurt you! He truly understood me and knew how I felt when it came to my girlfriend and I can only hope I was as best of a friend to him as he was to me!

*I love and miss you Jackson
